Mr. Steven Poloni  
City Manager, Grosse Pointe Shores

7 March 2021

Dear Steven,

It is my pleasure to present the Annual Report for the Grosse Pointe Shores Department of Public Safety for the year 2020. The Annual Report is the official record of the activities, events and training related to our law enforcement, fire response and emergency medical services for the year.

I want to take this opportunity to recognize and welcome you back to the Village of Grosse Pointe Shores. Retiring in 2012 as the Director of Public Safety, the Public Safety Department welcomes you back as you serve as the chief administrative officer for the Village.

The year 2020 was different than any other year in our lifetime. On February 28, 2020, Governor Gretchen Whitmer activated the State of Michigan's Emergency Operations Center to prepare for potential Coronavirus cases. On March 10, 2020, the governor reported the first two Covid-19 cases. In all of 2020, the State of Michigan recorded 508,700 positive Covid-19 cases and 13,038 related deaths. The officers and paramedics of our department took extraordinary precautions to remain safe and healthy. Resident contacts and traffic stops were managed to limit infections as the officers continued to serve our community.

I am reporting that the 2020 recipient of the *Director's Award* is Public Safety Officer Ryan Wilson. Hired in 2016, Ryan has excelled in all aspects of the job, while consistently requesting academy level and in-service training. PSO Wilson is a licensed paramedic, a certified department investigator and evidence technician assisting our detective bureau with processing evidence and follow-ups in the field.

In October of 2020, I announced to the City Council that effective January 26, 2021, after nine years of service as the Director of Public Safety, I would be resigning my position. After 42 years of total service, it has been my pleasure serving the residents of Grosse Pointe Shores. The sworn officers who serve and protect this community are some of the most professional officers that I have ever worked with.

I would like to thank Mayor Kedzierski and the Grosse Pointe Shores City Council for allowing me the opportunity to lead the dedicated officers of the department.

Respectfully,

John J. Schulte  
Chief of Police  
Director of Public Safety

## Grosse Pointe Shores Public Safety 2020 Annual Report

### **Personnel Overview**

As of December 31, 2020, the Village of Grosse Pointe Shores employed 16 sworn officers and 9 civilian administrative part-time clerks. Our Public Safety Department was the first in the nation, comprised of entirely triple trained officers: certified and or licensed to provide police, fire, and paramedic services. At full strength, the department employs 13 licensed paramedics, certified in advanced cardiac life support (ACLS).

The principal role of the Department continues to be proactive and preventive patrol of the community. The majority of staffing remains assigned to daily patrol and supervisory activity. The Detective Bureau / Special Operations is managed by one command officer and supplemented by additional staff when needed. The command officer assigned to the Detective Bureau also serves the Department as a uniform shift commander when additional supervisory coverage for the uniform division is required. This dynamic structure continues to save the department in costs by reducing the need for overtime. The Public Safety Clerks provide administrative support to Public Safety, Public Works, Parks and Recreation and the administrative staff.

## POLICE DIVISION

### Uniform Division

In order to maintain uninterrupted 24-hour service to the community the department, operates under a 4-platoon system. Each of the 4 platoons consists of shift supervisors and public safety officers. Two Lieutenants are assigned as shift commanders and each Lieutenant manages 2 platoons. The shift commanders are direct reports to the Director of Public Safety.

The platoons work 12 hour shifts and rotate every 6 weeks from days to nights. The patrol shifts are responsible for the protection of citizens and their property, as well as the enforcement of laws and ordinances within the city limits.

## Grosse Pointe Shores Public Safety 2020 Annual Report

Routinely, the patrol officers respond to citizen calls for assistance, enforce traffic codes and ordinances, conduct field investigations, and assist with any special programs or activities occurring within the community.

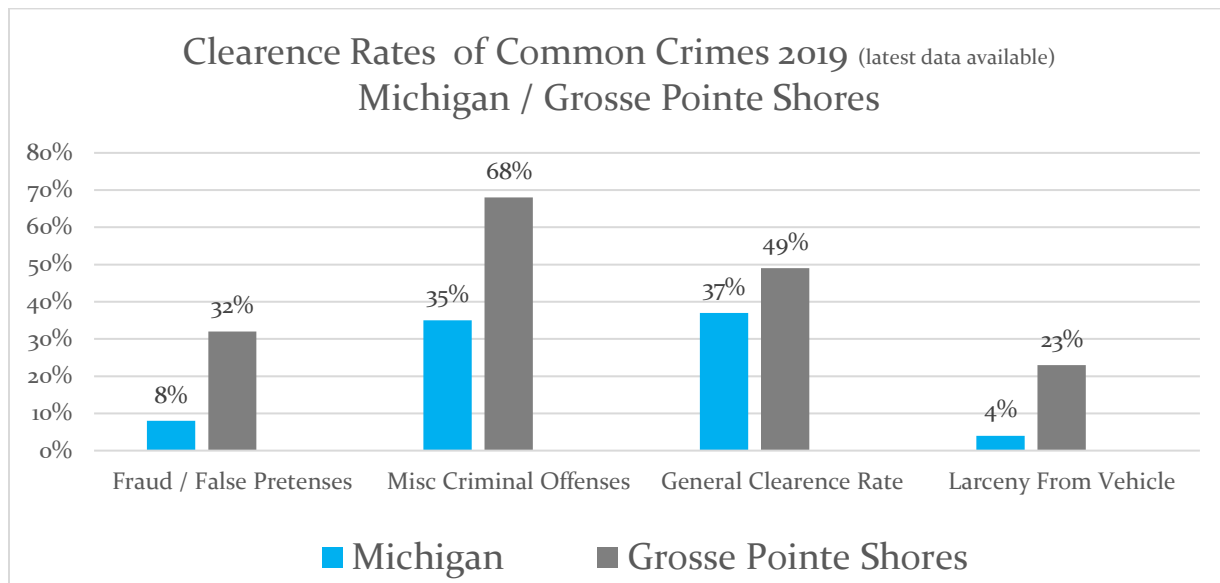

The patrol division is the backbone of our organization and is responsible for the personal and professional relationships that exist between the Department and the citizens of our city. In 2020 patrol responded to 2,422 calls for service. The officers' daily contact with the public promotes a strong working partnership between Department personnel and our valued residents. It is this relationship that contributes to the pride of being a resident of Grosse Pointe Shores.

## Grosse Pointe Shores Public Safety 2020 Annual Report

### Detective Bureau & Special Operations

The Detective Bureau and Special Operations responsibilities are assigned to Detective Lieutenant Scott Rohr who oversees case investigations and the prosecution of criminal and youth offenders. The Department relies upon the Detective Bureau to conduct criminal investigations, hold witness/subject interviews, and perform surveillance details. A detective's responsibility is to function as the Officer-In-Charge (OIC) of investigations, crime scene management, evidence collection and processing, as well as documentation and preparation for trial. Like the Chief, the Detective / Lieutenant is considered on call 24 hours a day for consult and if needed on an active scene. Currently, the department has three officers trained as investigators and three who are certified as evidence technicians.

## Grosse Pointe Shores Public Safety 2020 Annual Report

Special Operations is also responsible for additional areas such as: LEIN Terminal Agency Compliance (FBI and MSP requirements) operations, Local Agency Security Officer (LASO), computer network administrator, the integration of new technology, developing and streamlining procedures to assist the road patrol units, CLEMIS (records) database, Live Scan (fingerprint database), Freedom of Information Act (FOIA) requests received by the Department. At times special projects are assigned to develop or integrate new technology relating to the departments changing needs.

### **Public Safety Clerks**

In 2020, 9 part-time civilian clerks again provided around the clock assistance to the Public Safety Front desk. The clerks typically work 2-3, 8-hour weekly shifts. Their responsibilities vary based upon the needs and activity of the Department. The position requires a multitude of facets including accurately filling out forms, keeping records and files and maintaining all internal and external departmental communications. Routinely the clerks provide exceptional customer service assisting people coming into the public safety station seeking help and information and answering the telephone. Processing city permits, creation and distribution of park passes, managing the house watch program, responding to FOIA requests, verification of defendant's insurance and subsequent processing of impounded vehicles and assisting the court remain their primary tasks. The clerk's supportive role to the Public Safety Department, as well as all city departments, their efforts are greatly appreciated.

## Grosse Pointe Shores Public Safety 2020 Annual Report

**In 2020 Grosse Pointe Shores, Municipal Court collected  
\$ 214,009 in violation fines and court related costs.**

## **Eastern Wayne County Special Response Team**

Since 1988, the Grosse Pointes and Harper Woods have maintained a Special Response Team, currently 13 specialty trained officers are tasked with the reasonability to handle high risk police emergencies, drug raids, active shooter or barricaded situations as well as high risk warrant services.

The year of 2020 was a different type of year for the Special Response Team with the COVID - 19 pandemic year and the civil unrest that were occurring throughout our county. We were activated 4 times for barricaded and warrant services along with 6 activations for protest / civil disobedience standbys.

During 2020 the Special Response Team continued to train at the highest level to keep skills and tactics sharp despite the Covid – 19 pandemic. SRT training included monthly sniper qualifications, continued K-9 integration, building clearing, mechanical breaching / entries and yearly active shooter refresher. Monthly training days were conducted throughout available sites in the 6 six cities and the Metropolitan Detroit area.

Team training hours in 2020 were at 176 hours which was 48 hours short of the National Standard for annual SWAT team training and only 24 hours shorter than the year prior. The Ohio Tactical Officers conference was cancelled due to COVID 19 which accounted for the loss in training hours. The Special Response Team training schedule will look to meet the standard for 2021 with contingency training planned if pandemic continues. We look forward to continuing to serve the residents of the Grosse Pointes and Harper Woods in 2021 and the years to come.

## EMERGENCY MEDICAL SERVICES

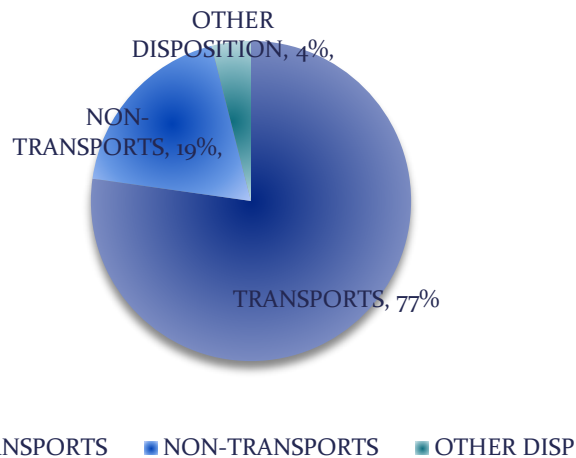

Our EMS Division is managed by D/Lt Scott Rohr and assisted by Sgt Jason Cook, are both licensed as Paramedic / Instructor Coordinators. Lt Rohr is Co-Chair to the DEMCA Advisory Board and sits on the DEMCA Professional Standards Review Organization (PSRO). Grosse Pointe Shores is a member of the Detroit East Medical Control Authority (DEMCA) and are governed by their protocols.

Having in-house instructor coordinators allows our medics the opportunity of continual training. This helps maintain the highest-level of pre-hospital care and intervention for sick and injured patients. As medical treatments are always evolving our Medics are expected to perform the latest on scene treatments once reserved for the hospital only, including administering medications and providing lifesaving procedures.

## Grosse Pointe Shores Public Safety 2020 Annual Report

### EMS RUN OUTCOMES

Our Paramedics are licensed by the State of Michigan and Certified by the American Heart Association (AHA) to provide Advance Cardiac Life Support (ACLS). ACLS is the standard of care used by all healthcare providers for common cardiac emergencies. When seconds count, this level of care ensures the best outcome for our patients.

See below recognition: from Ascension St John's for superior treatment and scene times;

The chart below illustrates the age of the patients requiring assistance from our Advanced Life Support Unit. The highest patient group being 61-85 years old. 78% of our patients were 61+ years old.

## FIRE DIVISION

The Grosse Pointe Shores Fire Department has two pumper style fire engines. Both pieces of equipment are capable of delivering 1,000 gallons of water per minute. Engine 4 is a 1996 Emergency One Pumper. Engine 4 is primarily equipped with ventilation equipment. This piece of equipment is suited specifically for ventilation operations that allow superheated gases to escape the involved dwelling and allow fire fighters to enter the dwelling to perform interior fire suppression operations. Engine 4 is our primary response unit for mutual requests to surrounding communities. The unit is also capable of supplying additional water to the fire ground for suppression and aerial operations as needed.

## Grosse Pointe Shores Public Safety 2020 Annual Report

Engine 4A is designated as our initial response unit to any fire related incident within the city of Grosse Pointe Shores. The unit is equipped with all of the equipment that Grosse Pointe Shores Officers pride themselves on training. The demand of providing the citizens of Grosse Pointe Shores with the highest quality of service requires the officers to frequently perform training exercises. Officers perform numerous training evolutions every month. Those training orders are supplemented with our weekly maintenance of all of the fire equipment.

Public Safety Officers are tasked with the responsibility of regularly checking all of the equipment on both pieces of apparatus. This practice ensures that they are always ready to respond to an emergency. Our park marina creates a unique firefighting challenge. In response to this, a portable Marine Fast Attack Fire Fighting pump has been staged in the marina to provide firefighting abilities in an area that cannot be easily serviced by traditional firefighting equipment. Having this additional mobile pump also adds to our regular training regimen.

### COST RECOVERY

An essential ordinance that is enforced regularly in Grosse Pointe Shores is our cost recovery ordinance. Private contractors, commercial vehicles and motorists that cause damage to our infrastructure are invoiced for the cost of replacement and/or repair of any damage to the Village. With the assistance of Brett Smith and the Public Works Department, we have been very successful in our cost recovery again this year. Examples of this damaged property include police, fire or DPW vehicles, municipal buildings, power lines, street lamps, trees, curbs, and fences. The Public Safety Department also recovers funds from each Operating While Intoxicated (OWI) arrest to cover the cost of processing and prosecution of these complaints. We have also added an administrative processing fee to all impounded vehicles.

Throughout the year, the Department also provides supplemental public safety officer staffing to our commercial facilities and to various organizations requesting service within the Village. These facilities are invoiced for the services provided and we recover 100% of the cost of the officer's salaries, including benefits.

## ***A POLICE OFFICER'S PRAYER***

*Lord I ask for courage  
Courage to face and  
Conquer my own fears...  
Courage to take me  
Where others will not go...  
I ask for strength  
Strength of body to protect others  
And strength of spirit to lead others...  
I ask for dedication  
Dedication to my job, to do it well  
Dedication to my community  
To keep it safe...  
Give me Lord, concern  
For others who trust me  
And compassion for those who need me...  
And please Lord  
Through it all  
Be at my side...*
